# SUPREME CRUNCH BEER-BATTERED COD

Trident Supreme Crunch Beer-Battered Cod has crunch you can count on—and all the flavor you expect from a genuine beer-batter. Super crisp on the outside, snow white and flaky on the inside — this is what “fish ‘n chip” fish is supposed to be. What’s more, we’ve tightened our specification to keep each delicious piece between 2.5 and 3 oz, so there’s no guessing about portion control or cook time.

Our unique Supreme Crunch beer-batter holds up beautifully under a heat lamp, providing you and your waitstaff an extra cushion of time when the house is busy and it’s important to deliver multiple orders simultaneously.
