

BREAKOUT WITH TAKEOUT

Sustainable, fully cooked Wild Alaska Seafood options are perfect to help you transition to a new takeout & delivery menu.

SUSTAINABLE. FULLY COOKED. JUST HEAT AND SERVE.

WILD ALASKA SEAFOOD PRODUCTS MEET YOUR NEW TAKEOUT AND DELIVERY MENU NEEDS.

Our products retain moisture, so they have longer hold times. The components can be delivered separately and assembled at home. Preparation is simple: you heat it, they eat it.

REDI GRILLED SEAFOOD™

Convenience meets quality with these fully cooked products that cut down on prep time. Perfectly portioned, grill marked, lightly seasoned. Just heat up from frozen.

SURIMI SEAFOOD

Made from Wild Alaska Pollock, fully cooked Surimi is a versatile and convenient ingredient for salads, soups, sushi, sandwiches and other selections.

MOJI SUSHI:

Our fully cooked rolls are ready to roll. Just thaw and serve.

PROTEIN NOODLES

Our 10g™ noodles are revolutionary – high in protein, low in carbs and gluten free. Made from Wild Alaska Pollock, they're a delicious alternative to traditional noodles. With no fishy flavor, they blend easily with all of your noodle needing dishes, both hot and cold. Just thaw, prep and serve.

#EatingLocal

WILD ALASKA ADVANTAGE.

1959

The year that sustainability was written into Alaska's state constitution.

3-1

The ratio by which consumers prefer wild seafood over farmed seafood.

2016

The year Alaska Seafood became the #1 protein brand on US menus for the first time - surpassing even certified Angus Beef.

Our fully cooked products hold up well and maintain quality. Great to eat even when reheated. Perfect for your grab & go menu for these times.
